

ATECH FLASH TECHNOLOGY

AFT 2-in-1 Smart Cable

Smart, Versatile

Using your Smart Mobile Phone for taking digital photos are getting much more popular due to the latest HD quality sensors. Due to this increase of Smart Phone Images, the users still will need a way to print copies.

Atech Flash Technology (AFT), one of the top kiosk media reader manufacturers has addressed this issue and is offering a 2-in-1 Smart Cable. The 2-in-1 Smart Cable is plug and play and very easy to use with your existing Photo Kiosk machine. Utilizing the AFT Smart Cable, users can sync up with the latest Smart Phones and upload images to your kiosk.
